PROPOSAL FOR AUTONOMOUS STATUS A.Y. 2025-26

Name of Document	Particular
Departmental Library Details	List of Department Library Books; Date:14/02/2025

Annexure No. 16

Dr. Sharad S. Mulik
PRINCIPAL

Arvind Gavali College of Engineering Departmental Library

The **Departmental Library** at **Arvind Gavali College of Engineering (AGCE)** serves as an essential resource hub for students and faculty. Each department is working on developing its own library to complement the **Central Library**, ensuring easy access to relevant books, journals, and research materials.

Key Features of the Departmental Library:

- **Branch-Specific Resources:** Each department maintains a collection of books, journals, project reports, seminar reports, and training materials tailored to its academic needs.
- **Reference Materials:** Essential textbooks, technical manuals, and research publications are available for quick reference.
- **Project & Seminar Reports:** Students can access previous years' project and seminar reports for guidance and reference.
- **In-Plant Training Reports:** Useful for students preparing for internships and industry training.
